Feedback Obtained
Feedback is obtained at the end of each term / semester for each course offered during the term/semester. In the feedback form designed, students give their feedback on the course and the faculty. Each faculty is then given their feedback results and as and when required, the director may call upon concerned faculties and try to resolve the issues. The main objective of seeking students' feedback on teaching at the Institute is to assist faculty members in monitoring and improving their effectiveness as teachers. The information is used as one of the means for assessing teaching effectiveness for decisions

regarding merit, tenure and promotion, and to provide information that may be used to support exceptional teachers nominated for teaching awards. There are regular class visits for observing the overall delivery of lectures in classroom. In the said respect a pre and post observation meeting is conducted. A pre observation meeting is conducted to discuss the aspects to be monitored / observed during the visit. A post observation meeting is conducted to discuss the outcomes of the visit as well as to plan for the improvement. The concerned faculty is required to work on the suggestions.

#### 2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Yes, Students mentoring system is available in the institution. The students often need mentoring, guidance and counselling in their academic journey programme. In order to support them and address their need to share, discuss any difficulty – academic, personal, psychological, attendance related, career choice, placements or any other matter a mentoring system is devised and followed for all the students. Objectives of students mentoring systems are as follows. • To provide the platform to the students for sharing their problems related to academic and non-academic matters. • To monitor the academic progress of the students. • To identify the slow learners, fast learners and the weak students and to provide them suitable environment to grow and prosper. • To provide an intervention and assistance to the students to grab the opportunity for their growth and development. • To cultivate higher degree of professional responsibilities and imbibe the values amongst the young students. • To provide an opportunity for overall development to all the students As per the Mentoring Policy of the college, faculty mentors were assigned to each newly admitted student in all the programmes. As a part of the orientation

programme for those newly admitted students, their meeting with the faculty mentor was scheduled, where they have filled in the mentoring form. The students meet mentors regularly or when needed and the details are entered in a separate form. The faculty mentors their mentees at least twice a month. They continuously monitor, counsel, guide and motivate the students in all academic matters. They also provide primary psychological counselling to those who need them and refer them for more professional counselling, if required. They contact parents/guardians if situation demands e.g. academic irregularities, negative behavioural changes and interpersonal relations, detrimental activities etc. They advise students regarding choice of electives, project, summer training, and their career development/professional guidance. The students are also guided for social internships, business plans, live projects etc. Thus, in a semester/term, minimum two mentoring sessions are arranged. However, for the special cases, where continuous monitoring and follow-ups are required, series of mentoring sessions are arranged. A professional counsellor is also available at the Institute. The mentoring system helps the student to handle academic, psychological and other problems. Many students are benefited by way of receiving pre-placement offers after internships. The faculty maintain a detail progressive record of the student. They intimate Senior teacher and suggest if any administrative action is called for. The mentors use both formal and informal means of mentoring. The mentor system, apart from its formal part, also exists as a robust informal mechanism to boost inclusiveness, gender sensitivity and social responsibility of students.

The Institution has established a mechanism for conducting external audits on the financial transactions every year to ensure financial compliance. External audit is conducted once in every year by an external agency. The mechanisms used to monitor effective and efficient use of financial resources are as below: Before the commencement of every financial year, principal submits a proposal on budget allocation, by considering the recommendations made by the heads of all the departments, to the management. College budget includes recurring expenses such as salary, electricity, internet charges, maintenance cost, stationery, other consumable charges etc., and non - recurring expenses like lab equipment purchases, furniture and other development expenses. The expenses will be monitored by the accounts department as per the budget allocated by the management. The depreciation costs of various things purchased in the preceding years are also worked out. The expenses incurred under different heads are thoroughly checked by verifying the bills and vouchers. If any discrepancy is found, the same is brought to the notice of the principal.

Process of the external audit: The accounts of the college are audited by chartered accountant regularly as per the government rules. The auditor ensures that all payments are duly authorized after the audit, the report is sent to the management for review. Any queries, in the process of audit would be attended immediately along with the supporting documents within the prescribed time limits. The institution did not come across with any major audit objection during the preceding years.
